

## Application for Milton's Business of the Month

As an initiative to promote economic development in Milton, the Planning & Economic Development Department will spotlight one Milton business each month. The business will be showcased on Milton's Economic Development webpage, as well as on social media and in our Planning & Economic Development monthly newsletter. The goal is to create more awareness about the wonderful businesses located in Milton and to connect Milton residents with these businesses.

Applications are due by the 21<sup>st</sup> of each month and will be held on file for six (6) months. If your business is not chosen this month, it will still be in the running during the following five months. However, businesses are encouraged to submit applications monthly. After six months, businesses will be required to reapply if they would like to be reconsidered for Milton's Business of the Month. A business cannot be spotlighted more than once in any 24-month period. Milton residents can also nominate a business by completing this form. Applications can be submitted electronically, by mail, or dropped off at the Planning office. We are located in the Town Offices at 43 Bombardier Road. If you have any questions, please contact Tracey Crocker at 893-1186 or [tcrocker@miltonvt.gov](mailto:tcrocker@miltonvt.gov).

If your business is selected, Planning & Economic Development staff will contact you for further information. Thank you and good luck!

**(This application is two pages long. Please ensure that you complete both pages.)**
