## Official Change of Appraisal Notice

### Appraisal Process

NEMRC has completed a reappraisal of all real property in Milton as of April 1, 2022. Over the past two years we have inspected the properties and entered the information into a computer assisted mass appraisal (CAMA) system. Many changes in property values have occurred since the previous reappraisal in 2006, and many properties have undergone substantial physical changes.

Please consider your appraisal to be at current market levels. Previous assessments are statutorily required for reporting, but have no bearing on the current assessments. Current Use values, utilities and Veterans exemptions are not included in the listing.

The tax rate will be set after the completion of formal hearings and after the State finalizes the statewide rates. Do not equate a change in assessment with a change in tax amounts; as the grand list increases, the tax rate declines.

Every effort has been made to equitably assess property in Milton. Please compare your property with similar properties and with properties that have sold over the past three years.
